10. The following actions will be taken to minimize fire emissions:

- Minimize the amount of materials to be burned;
- Allow the material to dry before burning;
- Prevent fire from spreading by clearing the area where the open burn is to be conducted;
- Wet down cleared area around piles with fire retardant foam or water prior to ignition;
- Minimize soil content in slash piles by using hand piling methods;
- Burn in piles when possible;
- When burning grass use a back fire; (back firing is burning in the opposite direction of the wind)
- Extinguish all smoldering materials once burn is completed;
- Burn prior to precipitation when possible;
- Other (Please describe any additional techniques you may be using to minimize the emissions from your open burning activities): _____

11. Burn area must be a safe distance from all structures including your home, your neighbor's home, out buildings, business and utilities which include but are not limited to phone lines and boxes, power lines and poles and propane tanks both fixed and portable. **(PLEASE NOTE the recommend safe distance is 50 feet for open burning.)**

12. Burns must be attended at all times and until the fire is dead out.

13. You must have fire control tools available for all burns. The minimum requirements are water and a hand tool.

17. NO BURNING DURING BREEZY OR WINDY CONDITIONS,

18. NO BURNING IS ALLOWED WHEN FIRE RESTRICTIONS ARE IN PLACE,

19. YOU ARE RESPONSIBLE FOR ANY AND ALL DAMAGES CAUSED BY YOUR BURN.

EAGAR FIRE DEPARTMENT
111 N BUTLER STREET
PO BOX 1300
EAGAR, ARIZONA 85925-1300
(928) 333-4363 non-emergency number

ALWAYS CONTACT - **Apache County Dispatch** at (928) 337-4321 Ext 2 prior to ignition. You will need to contact them again when the burn have been completed.

I certify that I have knowledge of the facts herein set forth, that the same are true, accurate and complete to the best of my knowledge and belief. I further state that I will assume responsibility for conducting open burning in accordance with the Arizona Administrative Code, Title 18, Chapter 2 and any open burning permit issued thereof.

Signature: _____ Date: _____

Typed or printed name of signer: _____

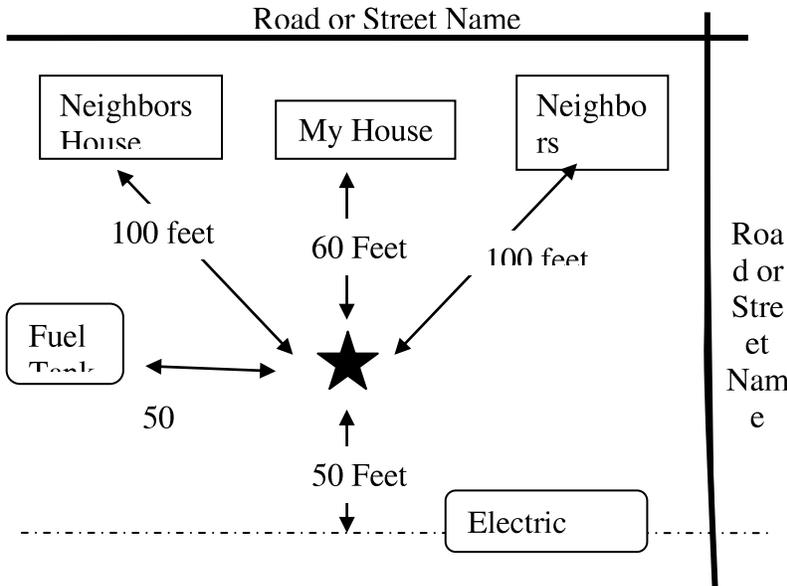

Authorizing Signature: _____

This Permit Expires on (Date) _____

*(Permits are valid for no more than **14 days** after the date of signature unless approved by the Fire Chief or his designate.)*

Please provide one of the following: a hand drawn map; a map from Google/Bing/MapQuest/county assessor or a parcel map. The map should include the burn area, any traveled roads, and the distance from nearby buildings or structures that are under your ownership or another person's ownership; please include fuel tanks, power or phone lines. In your map, please use lines to note the distances between the burn location and any buildings/structures in feet. Please see the example below:

EXAMPLE

Please draw your map on the back of this page.
