PRESENT:

Becky Pacey

Deryl Jevons
Tim Rasmussen
Bruce Ray

Tim welcomed everyone and conducted the meeting. He reminded members to keep trying to recruit new members.

After a discussion, it was agreed to take down the Christmas decorations at the welcome sign on Friday, January 6th at 10 A.M. The committee would like to decorate the sign for Valentine's Day. This item will be discussed at our next meeting. Tim suggested emailing any ideas among members. Tim and Becky will check the dollar stores and thrift stores for materials. Becky asked if the Boys and Girls Club members would be helping with the decorating. Tim said he would talk with Tammi Jo Anders.

Tim reported that the Centennial Park sign has been approved. Becky mentioned that it has to be warm enough at least 70 degrees before Mr. Sholley can do the acid washing. Tim mentioned it might not be done by February 14th. The foundation for the sign has been poured.

Tim reported he had asked Bill Greenwood to get the materials for the planters but not to build them. Tim read an email from Bill to the committee. The lumber is in the process of being treated. When material is ready, it will be delivered to public works for the building of the planters.

Becky mentioned that some of the plants at the old swimming pool had gotten a little frostbite, but they should be okay. She asked if anyone on the committee could help her rearrange the plants. Tim said he would.

Becky mentioned that the bags from the luminaries on Main Street need to be picked up. Lou will mention it to Neil Barton in the morning. Bruce said he would also mention it at Staff Meeting.

Tim mentioned that Bill Greenwood had gotten another trailer for tires to the Stover's. Members agreed that the Stover residence was looking much better.

The next meeting will be on February 7th at 4 P.M. at town hall council chambers.
