- 2. Blue Building
- 3. Rec. Center

March 8, 2005

Dear Vendors,

We are really excited about Eagar Daze 2005!!! We have made some major changes and additions. We are hoping to make Eagar Daze **the** place to be in August. In order to make these changes we have had to move our location to a bigger facility. As you will see by this application, we have added activities and are making this a two-day event. We know how important your contribution is to our event and would hope that any of you who have left us will give us another opportunity to make you part of our exciting vision for the future. Please feel free to share this application with any and all vendors that you know. Because of our bigger facility, there is no limit to the amount of vendors we can accommodate.

On the application, you will find an aerial photo of the facilities we will be using. They are numbered with a corresponding name so you will know the areas you have to choose from. We have many activities going at each facility, as you will see on the application. Please choose the one you would prefer, however, we reserve the right to place you at whichever facility we desire in order to have equal coverage at each. To insure getting your location of preference, send in the application as soon as possible. Location will be determined on a first come, first served basis.

Looking forward to seeing you in August.

Sincerely,

Bruce Ray
Eagar Daze Vendor Coordinator
