PARADISE IN EASTERN ARIZONA

Tired of big city traffic, the hectic pace and wall-to-wall people? The Town of Eagar invites you to come and see what small town living in a natural paradise is all about.

At an elevation of 7,000 feet, Eagar lies at the crossroads of several major thoroughfares in eastern Arizona. Today, natural resources are still a part of the community's industries. Two power plants and the timber-related industry form a substantial portion of the town's employment base, while ranching, retail, and industries in support of the popular tourist trade help to diversify the town's economy. Eagar is located about 250 miles East of Phoenix, Arizona and about 50 miles from Show Low, Arizona. This is an ideal position for the outdoor enthusiast as there are numerous opportunities for fishing, hiking, hunting, camping, skiing, 4-wheeling and much more. Eagar is an excellent community to raise a family. Eagar enjoys the range of all four seasons.

The Town of Eagar is open to hiring new recruits wanting a start in the law enforcement field as well as seasoned veterans. The Eagar Police Department offers:

- Excellent Health Insurance Benefits (Medical, Dental, Optical)
- Public Safety Retirement
- 5 Vacation Days First Year (10 days second year and 15 days third year)
- 12 Paid Holidays per Year
- 12 Sick Days per Year (option to sell back 5 days per year if none used)
