

Requests for rezoning, special use permits, and conditional use permits are handled from this department. The Town of Eagar's Zoning Ordinance designates specific uses of land areas as an integral part of the Town's Master Plan. Floodplain clearances and assistance in the 404 Permit application for construction in the vicinity of the Little Colorado River are also handled from this department. The planning, review, and construction process for new development in the Town of Eagar follows a process that allows Town Planners and the public the opportunity to ensure quality growth in our community. Forms and applications for construction can be picked up in person by stopping by Town Hall or visiting our [Document Library](#).
