

### **Sprinkler Bid Specs**

The town of Eagar is requesting bids to have a sprinkler system constructed and installed to the west of, and around our new pond located between 3<sup>rd</sup> AVE and 4<sup>th</sup> AVE east of Butler. The Sprinkler system will need to cover approximately 6.5 acres while encompassing the new 2.5-acre pond. The Sprinkler system will need to utilize the stainless-steel Hunter I-40 adjustable sprinkler heads that can cover a 75-foot diameter. We will provide 110 power to the system and the contractor will need to provide everything else to complete the system. The system will need to contain isolation valves and automatic drains within each zone.
